If need facebook coupons, just e-mail to
mesutraf99@hotmail.com. You'll get the
answer fast!

5) AFTER that, you will have to create
pages (make sure they have basic info, like
picture, address...). When any of your
pages gets 1000 likes (you can use any
type of likes – real people/bots), they will
send you a coupon. Repeat the same thing
with all of the pages you create (get them to have at least 1000 likes) and you will get a coupon
for each of them.

Agency Name

Agency website

Agency Location

Phone

Work Email

Number of Employees:

**How many clients are you currently providing
Facebook-related services to?**

**What type of Facebook-related services do you
provide?**

Would you like to add more colleagues? (optional)

By submitting this form you authorize Facebook to call you back
on the number mentioned in the form.

6) This sums it up:

✔ **1,000 Page likes milestone**

You will earn a Facebook ad coupon worth \$100 US when your client's Page gets 1,000 likes. Each client Page you register will be reviewed to make sure:

- The Page has completed its basic information section, including address, profile picture, cover photo and added location information (if applicable)

This coupon is only available for Facebook Pages created after you are enrolled in the Facebook Small Business Agency Program.

7) When you do that and they send you coupons in your email, just apply it (find more info here - facebook.com/help/243807179069441/). That's it and be patient.

8) Make sure you read their Terms of service and rules for getting and applying coupons!!

- Alternative methods (for \$50 Facebook coupons):

FB Success program

They also offer \$50 coupons to new advertisers

- Go to this URL - <https://www.facebook.com/business/start2success>
- Fill in the form with the data from fakenamegenerator.com and you own data (for email)
- Read their rules!

Note: Facebook offers coupons through partnership with other companies as well.

1) First option is to get it from hosting companies like Fatcow, Hostpapa...

Example with **Hostpapa**:

- You have this URL where you can request coupon as their member:

<http://hostpapasupport.com/go/request-coupon-fb.shtml>

They have cheap memberships and you can get the coupon that way. After that, just cancel the membership and get your money back.

2) There are also companies like **Wix**, **Shopify** and **3Dcart** that offer \$50 coupons. You can use their trial offer to get the coupon and then cancel the membership. **Important:** Make sure that a company offers 'money back guarantee', so that you can get your money back.
